GmbH

Declaration of performance – DIN EN 1090

For the special corrosion protection process – Liquid coating

Building product	Load-bearing components and constructions kits for steel structures according to DIN EN 1090-2 as load bearing construction in all types of buildings.
Corrosion protection process	Mechanical pretreatment, liquid coating Substrate: steel, hot dip galvanized steel, metalised steel
Company	Straalbedrijf Colijn b.v. Hoogewaard 225F 2396 AS Koudekerk ad Rijn Netherlands
Certificate	This certificate attests that all provisions concerning personnel and manufacture with regard to the special process liquid coating according to DIN EN 1090-2:2018-09 Are applied and that the factory production control fulfills all the requirements EN 1090-1:2009+A1:2011
Certificate No.	I2025Q47894
Certification body	IFO Institut für Oberflächentechnik GmbH Alexander-von-Humboldt-Str. 19 73529 Schwäbisch Gmünd
Beginning of validity period	24.11.2025
Valid until	31.12.2026

Schwäbisch Gmünd, 24.11.2025

Head of certification body
Dipl.-Chem. U. Brunner-Bäurle

This declaration of performance will remain valid as long as the test methods mentioned in the harmonized standard and/or the requirements of the factory production control for the assessment of the performance of the declared characteristics do not change and the product and the manufacturing conditions in the manufacturing plant are not modified significantly.
